Nation Series Tournament Events (the "Tournament Series") during the 2024 calendar year. By signing this Agreement, the undersigned (referred to as "I" or "Angler"), hereby agree to be bound by and comply with the provisions thereof. I also agree to abide by and comply with the B.A.S.S. Angler Code of Conduct, and all other guidelines, regulations, payment schedules and instructions communicated to me in writing by B.A.S.S. 2. RELEASE OF LIABILITY; INDEMNIFICATION

2.1. I expressly assume all risks associated with my participation in the Tournament Series and for myself, my executors, administrators, heirs, next of kin, successors and assigns, I hereby waive, release and discharge B.A.S.S., LLC, its affiliates and subsidiaries (collectively "B.A.S.S."), the hosts, sponsors and Tournament Series officials ("Released Parties") from any and all losses, liabilities, claims, damages and expenses (including without limitation, attorney's fees and related costs), of any kind (hereinafter "Claims") arising out of or in connection with my participation in the Tournament Series, including but not limited to Claims involving, death, disability, personal injury and/or property damage. I hereby INDEMNIFY, DEFEND, HOLD HARMLESS, AND PROMISE NOT TO SUE the Released Parties for any and all Claims arising as a result of my participation in this Tournament. The risks may include, but are not limited to, those caused by water conditions, temperature, weather, equipment, actions of other people including, but not limited to, participants, volunteers, and spectators. This release of liability shall

be construed broadly to provide a release and waiver to the maximum extent permissible under applicable law.

2.2. I shall indemnify, defend, and hold harmless the Released Parties against all Claims, whether or not a lawsuit or other proceeding is filed, to the extent that they arise out of : (1) my breach of the terms of this Agreement, (2) gross negligence, or willful misconduct by me, my agents or those acting on my behalf; (3) my violation of any applicable law, ordinance, rule, or regulation, including but not limited to all rules and guidelines applicable to Tournament Series events; (4) breach of any warranty provided by me to Released Parties hereunder. I shall provide B.A.S.S. with prompt notice of any claim and give complete control of its defense and settlement to B.A.S.S. I shall also cooperate in all reasonable respects with B.A.S.S. its insurance company, the Released Parties (as applicable) and their legal counsel in the defense of such claim. If I fail to promptly indemnify and defend a covered claim, the Released Parties shall have the right to defend themselves, and in such case, I shall promptly reimburse the Released Parties, for all of their associated costs and expenses.

Content Usage Guidelines

B.A.S.S. holds the content rights to the tournaments it owns and operates. However, B.A.S.S. grants certain exceptions, including the following content rights, to tournament participants:

- Anglers may use video or still images, shot by the Angler during a tournament, for promotional or marketing purposes on the Angler website and on social media. You may also live stream during a tournament, except when Bassmaster LIVE has a camera in your boat.
- During tournaments B.A.S.S. may ask to mount a POV streaming camera in a competitor's boat (the footage may be used in B.A.S.S.'s web or TV coverage). B.A.S.S. may also request the marshal operate these, or other (POV, smartphone or other) cameras. A competitor is required to comply, even if he already has a personal camera mounted in his boat. Refusing to comply may result in a penalty.
- If a competitor has a personal cameraperson or crew following him on the water, that person or team must not get in the way of Bassmaster photographers or videographers who are covering the tournament. Off the water, they must follow the general guidelines of any media covering the tournament as set forth by B.A.S.S. Communications.
- B.A.S.S. also encourages anglers to send photos, videos and updates to update@bassmaster.com for exposure on Bassmaster.com and our social media pages.
- In social media, you may use our hashtag **#bassmaster** to amplify and spread your post to our 1.6 million social fans.

B.A.S.S. reserves the right to revoke these exceptions, and the angler must remove the tournament-related content if B.A.S.S. at its discretion believes the content is inappropriate or in any way violates other B.A.S.S. rules.

B.A.S.S. wants to help promote both your brand and the sport of professional bass fishing through its multimedia assets. If there are stories written about you or by you appearing on Bassmaster.com, B.A.S.S. grants permission to link to these stories, and any others on our website, from your website or social media pages. You may also grab photos from Bassmaster.com to promote yourself. Please credit Bassmaster.com.

1. RULES AND PENALTIES:

The following rules shall apply to all B.A.S.S. - (ii) **DURING THE OFFICIAL PRACTICE AND COMPETITION DAYS OF ANY B.A.S.S. TOURNAMENT, NO BOATER OR NONBOATER COMPETITOR MAY OPERATE A BOAT UNLESS THAT CONTESTANT HAS DOCUMENTED PROOF OF A MINIMUM OF \$300,000, PER OCCURRENCE, BOAT OWNERS' LIABILITY INSURANCE COVERING THE BOAT BEING USED IN THE TOURNAMENT. If tax status or address changes occur, new forms must be submitted prior to participation in the next B.A.S.S. event. **Tournament entry fees must be received by the B.A.S.S. Nation Department on or before the entry deadline date.** The Tournament Director reserves the right to discontinue acceptance of applications prior to the deadline and also the right to extend the acceptance date.  - Abuse (physical, verbal, threatening or slanderous) of tournament officials, volunteers, fellow competitors or others connected with a B.A.S.S. event, including comments on social media.
 - Offensive or slanderous comments with racial, cultural or sexual overtones regarding event officials, event personnel or fellow anglers.
 - Intentionally interfering with an angler's ability to compete.

Any disqualification, suspension or other disciplinary action imposed by any tournament or fishing organization may result in disqualification from competition and from participation in a B.A.S.S. tournament(s).

- (ii) Chemical substance addiction or abuse, a conviction of a felony or crimes involving moral turpitude may be grounds for disqualification from the competition and for rejecting any application for participation.

Any angler who violates any of the provisions of the Sportsmanship Rules or the Angler Code of Conduct may be subject to fines, reduction of points, forfeiture of tournament winnings and suspension from competing in individual B.A.S.S.-sanctioned events, permanent ban from competition or any combination thereof deemed appropriate by B.A.S.S.

8. TACKLE AND EQUIPMENT:

The use of landing nets and grippers for landing bass is prohibited during tournament competitions. During practice and competition, no more than one artificial or biodegradable artificial lure may be attached to a line at one time. One lure is defined as a single, man-made device designed to attract and/or catch one fish at a time. Adding trailer hooks, plastic trailers, blades, etc., to a single lure is acceptable. The use of braid or other lines to attach one stinger hook (single or treble) is allowed but cannot be over 2 inches in length. If multiple fish are caught on a single, man-made lure on a single cast, all fish are considered legal and may be added to the daily catch subject to the scoring rules detailed in Rule 17 ("Scoring"). No "live bait," "dead bait" or "prepared bait" will be permitted during official practice and competition, with the exception of pork strips or rinds. Any umbrella-type rigging, harness or other device designed to hold more than one lure at a time — with or without hooks — is not allowed. Such rigging, harness or device cannot be added to a single lure as described above.

Twin arm spinnerbaits, twin arm underspins and twin arm buzzbaits are allowed. Trailer hooks and plastic trailers of twin arm baits must be on the main hook of the bait; only spinner blades can be affixed to the arms. The head on the main stem may be hinged. On these twin arm baits, no more than two wires, with a maximum length of 6 inches, may extend off the main arm or body of the lure at the head or line tie point. The bend of the main hook must be even with or trail behind where blades attach to the wires. B.A.S.S. officials have the sole authority to determine whether a lure is considered a single lure as defined above.

Only ONE casting, spincasting or spinning rod (10-foot-maximum length from the butt of the handle to rod tip) and reel may be used at any one time. A hung or snagged lure that is not in or on the water is not considered in use and may be set aside while another is in use. Other rigs as specified above may be in the boat ready for use; however, only ONE is permitted in use at any given time. If a competitor breaks their line while setting the hook or retrieving a fish, they are allowed to make an attempt with the rod being used

or with their hands to secure the visible line and land the fish for it to be counted as legal. You may NOT hook the line with another lure, rod, reel or other devices.

No competitor may intentionally snag or foul-hook a bass to be counted in their daily catch. Anyone guilty of intentionally snatching or snagging visible fish will have their catch disqualified. When visually fishing for bedding bass, to be counted as a legal fish, each bass must be hooked inside the mouth. With the fish's mouth closed naturally, you must not be able to see where the hook point enters the fish for it to be considered hooked inside the mouth. It is suggested anglers verify that the fish is hooked in the mouth to another person in the boat. Otherwise, in such type events, truth verification exams may ask this question. Any fish hooked in the mouth where the hook did not enter through the mouth, but entered through the gills, must be released.

Competitors, including those who have been "cut" from competition in an event, are allowed to share baits and tackle with one another at any time.

9. HORSEPOWER REGULATIONS:

Maximum horsepower for all outboard motorboats used in official tournament practice and in tournament competition will be **250 HP**. Horsepower cannot exceed the limitations set by the U.S. Coast Guard. When required, each boat must have a U.S. Coast Guard horsepower-rating plate attached to the boat by the manufacturer. The horsepower of the outboard engine must **NOT** exceed the rating specified on this plate nor the horsepower maximum set by B.A.S.S. Each competitor agrees to submit, by their signature on the official entry form, the boat and outboard motor used in the tournament to an inspection by factory-trained personnel if there is reason to suspect the horsepower is in excess of the rating. Normal maintenance of engines is allowed. Changing or altering standard factory parts of a competitor's engine to increase the horsepower over the factory horsepower rating is forbidden and will result in disqualification. Falsifying information on entry forms, or altering the horsepower-rating numbers on the engine, is also cause for immediate disqualification from B.A.S.S. tournaments. Posted speed limits and those imposed by B.A.S.S. must be observed and all boats must be operated in a safe manner. Violations of speed limits shall result in loss of competition hours and are not limited to disqualification.

10. BOAT AND MOTOR:

These restrictions apply during official practice and competition. For the safety of all competitors, all boats must be equipped with an approved type of operable ignition kill switch and lanyard. Only one manufacturer's lanyard may be used and must be attached to the driver's body any time the combustion engine is operating and in gear. Any time the combustion engine is operating and in gear, there must be a driver in the driver's seat in full control of the boat. Fishing boats that are 16 feet or more in length may be used and must be equipped with wheel steering. No other steering device will be permitted. Any raised platforms or decks cannot be higher than the gunnels of the boat. Trolling motor brackets and electronics are not considered "raised platforms." Standing on the outboard engine or seats while fishing is not allowed. An electric trolling motor may be used for slow maneuvering. However, trolling as a method of fishing is prohibited. The "long lining" or "strolling" technique is NOT allowed in either practice or competition and is defined as intentionally using a trolling motor or outboard to mechanically extend a cast. **NO EXCEPTIONS.** Only gas tanks that are installed by the boat manufacturer are allowed. No portable gas tanks or containers capable of holding gasoline can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor. No "barges" or similar craft will be permitted. Jet drive engines, surface drive engines and tunnel hull boats are not allowed during both official practice and competition. Any boat/hull designs other than standard, mass-produced units are only allowed at the discretion of tournament officials.

11. BASIC BOAT EQUIPMENT:

During official practice and competition, every boat must have all required U.S. Coast Guard safety equipment as well as a functional bilge pump. During the official competition, every boat must have livewell space, properly aerated, to adequately maintain alive a limited catch of bass. B.A.S.S. recommends livewells be maintained at full level and the aerator/recirculation set on manual. Tournament officials shall have the sole responsibility for determining whether aeration and capacity are proper and adequate.

Anglers must make a back seat available for a Nonboater each competition day as needed. Competitors are required to make one dry storage compartment available to the Nonboater and to provide the Nonboater ample space for ice, food and drink.

12. BOAT IDENTIFICATION:

Prior to each day's start, each boat **must** be given an inspection check by a tournament official. Each day, each boat may be given a number, which **must** remain with the boat. This number must be displayed upon the request of tournament officials and at each check-in.

13. BOAT OPERATION AND EXPENSE:

During the competition, in Boater-Nonboater type events, Boaters will fish from the front deck, and Nonboaters will fish from the rear deck, NO EXCEPTIONS. **During both official practice and competition**, Nonboaters are only allowed to drive (outboard engine) the Boater's boat in emergency situations with the exception of loading and unloading from trailers. **During official practice**, Nonboaters not practicing with a Boater competitor may practice, drive and fish from the front deck of the boat. **During official practice**, Nonboaters practicing with Boaters are allowed to fish from the front deck and operate the trolling motor. **During official practice**, Nonboaters not practicing with a boater must retain the proper Insurance and Boat Regulations per this document.

Any Boater that, in the judgment of the officials, operates the boat in such a manner as to unfairly handicap their Nonboater partner shall be disqualified. At no time may a Boater competitor request that the Nonboater competitor not fish. In B.A.S.S. events where observers replace anglers as the official rider, observers cannot assist the competing angler in any way. Observers are not required to help with gas and oil expenses.

14. PERMITTED FISHING LOCATIONS:

Tournament waters shall be established by the Tournament Director for each tournament. Each competitor must obtain this information from the B.A.S.S. Nation Department. Any water within these boundaries posted "Off-Limits" or "No Fishing" by state or federal agencies, as well as the live-bass-release area established by the Tournament Director, will be OFF-LIMITS and will be announced at the tournament briefing. Only the water open to ALL public fishing will be considered tournament waters. Waters deemed off-limits by authorities or tournament officials should be treated like a wall. No boats or casting behind that boundary while fishing. All angling must be done from the boat. In states where landowners have the legal authority to claim private property, these areas must be posted or they will be considered tournament waters unless instructed otherwise by tournament officials at any time during the event. If forced to leave, a competitor must report the incident to tournament officials as soon as possible. Any water to which a competitor is barred access becomes off-limits to all competitors.

Prior to 8 a.m. local time the day before the tournament is scheduled to begin, any questionable areas must be brought to the attention of tournament officials to be considered tournament waters. Questionable areas will be off-limits until a determination can be made with authorities and may be announced in the briefing or via text for all to know unless determined otherwise by tournament officials.

Tournament officials reserve the right to restrict or enhance tournament waters based on conversations with local authorities. Competitors are not allowed to cut, remove, displace or engage in any type of structure removal from private property (dry land) during off-limits periods, official practice or competition. Moving structures, including the sawing of logs or other obstructions in the water, is only allowed if laws permit. No competitor may place any object that may impede or cause danger to boaters.

15. COMPETITORS MUST REMAIN IN THE BOAT:

During official practice and competition, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. You are not allowed to use a winch, pulley, come along, cable, rope, or similar device/tools to gain access to tournament waters. Competitors may not shift a majority of their weight outside the boat and onto a dock or other object outside the boat for the purpose of landing a bass or accessing a fishing spot. A bass that cannot be landed without the angler leaving the boat or shifting the majority of weight outside the boat must be released immediately. While keeping the majority of weight

in the boat anglers are allowed for boat protection to push or shove off objects while landing a fish to be counted as legal. Competitors are allowed to leave the boat to retrieve a lure. All fishing by that competitor must cease until the competitor is back in the boat. Only then may another cast be made. Boats must remain in tournament waters during tournament hours. Competitors must leave and return to official checkpoints by boat. Both anglers must remain in the boat at all times, except in case of dire emergency, or with permission from the Tournament Director. Exceptions are spelled out in Rules 5 ("Safety"), 15 and 18 ("Catch and Release."). In such an emergency, or with permission of the Tournament Director, competitors may be removed from their boat either to a boat operated by other competitors, or a rescue boat designated by the Tournament Director. Partners must remain together at all times, in sight of each other and each other's catch under the conditions cited above in order for their catch of that day to be scored in the tournament, with the following exception. **In breakdown situations and with a tournament official's permission, Nonboaters may transfer their boat's (Boater and Nonboater's) fish to another competitor's boat and ride to check-in, and they may leave their Boater with the disabled boat. In such cases, the Nonboater must stay with their catches at all times, and the assisting boat's partners should verify the catch. Any angler whose boat is disabled that rides with another competitor or rescue boat to weigh-in is not allowed to fish.** In the event of a needed restroom break or refueling situation at a marina gas pump, contestants are allowed to leave the boat, at which time all fishing must cease until partners are back together in the boat. If a competitor violates any of the above conditions (to contact a tournament official by phone or other means, or to report an emergency or breakdown), both competitors must cease fishing at this point and their catch must be verified by a tournament official in order to be counted in the tournament. If, after the emergency situation is resolved by tournament officials, enough time is left for the competitors to resume fishing, a **restart** will be allowed, the competitors will continue and their catch will be counted. This applies only to dire emergency situations as determined by the Tournament Director or designee. Towing boats on trailers during tournament hours is prohibited, except at the discretion of tournament officials.

16. OFFICIAL CHECKPOINTS:

Unless specified by tournament officials, there shall be only one official checkpoint for check-out in the morning and one official check-in point in the afternoon; which points shall be designated at the tournament briefing. Failure to go through boat check and check-out in the morning or failure to check in at the checkpoint in the afternoon may result in disqualification. At the time of check-out, all competitors and their boats shall be in full conformity with all rules set forth by the Tournament Officials. At check-in, all boats shall identify themselves to designated tournament officials by means of the numbers described in Rule 12 ("Boat Identification") or visually and proceed immediately to the designated weigh-in area. Partners must stay together through the weigh-in process if both are weighing bass. Once the bass are bagged for weigh-in, anglers that are not weighing bass do not need to accompany their partner through the weigh-in process.

17. SCORING:

Tournament standings, contingency awards and final winners shall be determined by the pound-and-ounce weight of each competitor's catch during the competition days of the tournament. Only Largemouth, Smallmouth, Spotted, Redeye or Shoal bass will be weighed. The Boater limit shall be five (5) and the Nonboater limit shall be three (3) of the above species and varieties per day unless specified otherwise by tournament officials (for example: hot weather/fish care concerns/championship events). At no time shall a competitor have in their possession more than the tournament limit. If a competitor determines they have over the limit they must immediately reduce their catch to the tournament limit with a live bass of their choice from their catch. Each returned bass will result in a 2-pound penalty to be deducted from their daily score. In this case, competitors must attempt to notify tournament officials and, if unsuccessful, must notify officials at check-in. Once a competitor checks in they must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit and each returned bass will result in a 2-pound penalty to be deducted from their daily score. If a competitor has their fish verified and weighed and, upon returning to the boat, discovers additional fish over the tournament limit that was not presented to officials; he/she then must notify tournament officials within one hour of final flight check-in to receive a 2-pound penalty for each bass discovered. Failure to notify officials after one (1) hour of final flight check-in time will result in a loss of a day's catch. **Anglers who present fish at the verification table with fin clips attached will be assessed a 4-ounce penalty per clip. No man-made or foreign object(s) connected to a bass,**

outside of natural causes, will be weighed and shall be removed by tournament officials. Competitors are not allowed to replace anything attached to a bass or regurgitated by a bass to be included as part of their catch.

The official length for bass shall be determined by the Tournament Director and announced at the tournament briefing. In most cases, it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line shall be weighed. Bass presented for weigh-in which fail to measure the official length shall result in a penalty of 1 pound for each such bass, which shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint they **MUST** present all LEGAL fish in their possession to a tournament official to be counted, measured and weighed. Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be placed on a stringer at any time during the tournament. Specially designed bags, which increase survival rate, will be furnished by the Tournament Director and must be used for the weigh-in.

18. CATCH AND RELEASE:

CULLING OF DEAD BASS IS PROHIBITED. For each legal dead bass presented to weigh-in officials, the competitor shall be penalized 4 ounces to be deducted from their daily score. Competitors are allowed to ice a dead fish that is part of their daily catch. The Tournament Director or designees shall have sole authority for assessing penalty points. In addition, the Tournament Director or designees may reduce tournament hours or tournament limits for fish care purposes. It is suggested in warm-weather tournaments that anglers keep extra ice for fish care. Contestants are allowed to obtain ice and other items for fish care contestants and/or noncontestants. Upon mutual consent of both Boater and Nonboater paired together, for fish care concerns, the verification table will open one (1) hour prior to check-in time of the first flight. Anglers may be allowed to weigh in early with permission from the Tournament Director. **SMALL DIP NETS FOR CULLING PURPOSES ARE ENCOURAGED.** It is recommended competitors keep all bass in livewells during the culling process. Placing bass on the boat carpet during culling is not advised. **Only nonpenetrating culling clips and culling beams are allowed for use. Any clip or device that penetrates or is designed to penetrate the skin or mouth of a fish is not allowed.** A proper fizzing technique is suggested when needed. For instructions on acceptable fizzing practices, please contact tournament officials.

19. LATE PENALTY:

Competitors who are not at the official check-in point, as described in Rule 16 ("Official Checkpoints"), at the appointed time, shall be penalized at the rate of 1 pound per minute late to be deducted from the total weight of their catch that day, including any weight to be counted toward a "big bass award." Any competitor more than 15 minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness, and in no case shall a competitor be allowed to make up "lost time." After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours. Exact starting and check-in times will be announced at the tournament briefing. It is each competitor's responsibility to confirm check-in times each day on the daily pairings.

20. TIES:

In case of a tie for first place weight in the boater division at the end of the tournament, there will be a sudden-death fish-off between the tied competitors, under the direction and special rules established by tournament officials.

In case of a tie for first-place weight at the end of the B.A.S.S. Nation Championship, there will be a sudden-death fish-off between the tied competitors under the direction and special rules established by tournament officials.

In case of a tie for first-place weight in the Nonboater division at the end of the Nonboater portion of the B.A.S.S. Nation Championship that is not resolved by the four (4) tiebreakers listed below, all tied Nonboaters will advance to the final day of the B.A.S.S. Nation Championship.

All other ties will be resolved in the following order: (1) The individual with the heaviest single-day catch during competition; (2) if the tie is not broken, the next tiebreaker will be the individual with the second-heaviest single-day day catch during competition; (3) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal fish weighed during competition; (4) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal live fish weighed during competition. If the tie is not broken by applying the foregoing procedures, the tie will remain a tie and monetary prizes for each competitor will be awarded in an equal amount between the tied competitors. In the instance where merchandise is involved, it will be awarded as determined by tournament officials. Ties for any cut in the Boater and Nonboater division will be resolved in the same order explained above and when ties for cut positions are not broken by the foregoing procedures, competitors still tied will compete for the next cut.

21. PAIRING OF COMPETITORS:

Two competitors may be assigned to each boat. Announcement of your first-day fishing partner will be made at the tournament briefing, which **must be attended, except with permission from the Tournament Director**, by each competitor. It will be the responsibility of each partner to appear at a mutually agreed upon location, with sufficient time remaining to check out at the official checkpoint and start on time.

Tournament officials shall have no responsibility for finding missing partners. The Tournament Director, at their sole discretion, may reassign partners prior to the morning takeoff. It is suggested that a minimum of 30 minutes is required for preparation to depart to the checkout point. When two competitors check out at the beginning of the day, they must stay together and within sight of each other and each other's catch, throughout the day, until the weigh-in is completed, except in case of dire emergency or exceptions — see Rules 15 ("Safety", 16 ("Competitors Must Remain in Boat") and 18("Catch and Release"). A competitor must not allow any bass caught by them to be counted on the score of another competitor. In such a case, both competitors shall be disqualified from this tournament and from all future tournaments conducted by B.A.S.S.

22. RULES VIOLATIONS AND APPEALS COMMITTEE:

Appeals for penalties assessed under Rule 1 ("Rules and Penalties") (b), (c), (d), (e) & (f) or under Rule 7 ("Angler Code of Conduct") must be presented in writing to the tournament officials within 48 hours from the time of the ruling being appealed. An appeals committee will be established by B.A.S.S., which shall be comprised of one B.A.S.S. employee not affiliated with the Tournament Department and two anglers who were not competitors in the event in question. Appeals hearings shall take place within seven (7) business days, if possible, from the date of receipt of the written appeal. All parties must make themselves available at the prescribed time of the hearing. If competitors admit to a rules violation, they may not file an appeal of either the finding that they have violated the rules or the penalty imposed for the violation. Decisions of the appeals committee shall be final.

Names of the ruling committee members are to remain confidential and must not be disclosed to the public.

Competitors are allowed to compete while under appeal. Should an angler fishing under appeal make a cut, the next angler below the cut will be invited to compete on the cut day with the clear understanding that any prize money and points he might earn will be contingent upon the outcome of the appeal. If the appealing angler wins their appeal, the additional angler below the cut will revert to the points and prize money he/she was due at the end of fishing prior to the cut day. Final standings will not be official until all appeals hearings are final and ruled upon. However, all standings above that of any appealing angler, as well as any adjusted final standings may be declared official. Standings, including AOY points and monetary awards, may be adjusted after the appeals committees' final ruling, and all affected anglers shall comply with all details of the final ruling.

23. PATCHES AND/OR SIGNAGE:

Anglers are encouraged to wear their own clothing, which may bear patches, logos, and other signage promoting the angler's sponsors. B.A.S.S. may, however, restrict the use of patches, logos, signage, etc., that promote or advertise products that are, in B.A.S.S.'s sole judgment, in competition with the products or services of official B.A.S.S. sponsors or which are, in B.A.S.S.'s sole judgment, in poor taste. B.A.S.S.

will provide as much advance notice as possible to the competitors in such instances. By signing this document, each Boater and Nonboater agrees to wear an official B.A.S.S. shield (2 1/4 x 2 3/4 inches) on either left/right chest, with the top of the shield hitting the left/right collarbone **or hat** during competition, including the weigh-in. This B.A.S.S. shield must be printed or embroidered. In addition, if B.A.S.S. provides any ancillary clothing or products (such as life vests) bearing the logos of B.A.S.S. or the official sponsors of B.A.S.S., each competitor shall wear such clothing or utilize such products in a manner requested by B.A.S.S.

24. B.A.S.S. SPONSOR BOATS:

When using B.A.S.S. sponsor boats, anglers are responsible for the physical care of the boat. Damage incurred determined to be excessive or wanton by the Tournament Director shall result in the angler being responsible for all costs of repair.

25. TAXES:

Where and when state laws require income taxes to be paid on cash awards to nonresidents, the taxes will be automatically deducted prior to the awards being presented to the winners. Competitors are responsible for all applicable taxes on both cash and merchandise awards. Various states require withholding tax on merchandise be paid upon the awarding of certificates, and anglers awarded merchandise certificates in these states are responsible for remitting their tax to B.A.S.S. Failure to meet those obligations may result in the reduction of Angler of the Year points, fines and/or disqualification from all future B.A.S.S. events.

26. WAIVER AND RELEASE:

As a condition of participation in each tournament, each competitor must execute a waiver and release of liability, and a name and likeness release.
